RESIDENTIAL LEARNING COMMUNITY

ADVANCING SCHOLARSHIP FOR LEADERS

The Council for Accreditation feels that, in the review process, chapters who are seeking re-accreditation should reflect upon their prior experiences as a Residential Learning Community.

Please fill out the following supplement to the accreditation application.

1. Why is your chapter seeking re-accreditation?

2. What specific programs or activities has the chapter implemented as a Residential Learning Community?

3. How do you feel the Residential Learning Community has improved:
    a. Faculty Fellow Engagement?

    b. Academic and Personal Development?

    c. The Facility/Learning Environment?

    d. Network of Support?

4. Have chapter facility improvements been made as a Residential Learning Community? If so, please describe:

5. What is the chapter's policy on alcohol? Has this changed as a result of being a Residential Learning Community?

6. What challenges has the chapter encountered during its time as a Residential Learning Community?
